Storm Net	3.982	Daily	1830	2330 or 0130
West Nebraska Net	3.950	M-S	0700	1200

Notes from the Section Traffic Manager:

We finally received some snow and now can't wait for it to melt. Snow and cold weather means it's time to start doing the antenna work.

Looking back on the several years I have had the opportunity to be your Nebraska Section Traffic Manager, it's really the Net Managers and Net Controls that make the Nebraska net's run so smoothly. Collecting and reporting the monthly numbers is the easy part. My thanks to those who have faithfully been a part of the net's for so many years. Many of you have been checking in and helping for more years than I can count.

Looking for any historical notes you may have about any of the Nebraska Section Net's. Please send me your articles, stories, remembrances, pictures or anecdotes you may have. We will add to the monthly summaries.

Please report your individual traffic monthly totals to me at: nf0n@arrl.net I also check in to several net's daily, you can send to me on the net.I welcome your comments and suggestions.

Notes from the Section Traffic Manager:

We lost a good friend this month, Steve May, WA0ASM. I knew Steve from my days in Lincoln back in the 60's and he was always jovial and friendly all the time. Steve reported net totals for NCW and the Cornhusker net. I will miss Steve's reports coming to me when I checked into NCW. He always sent them to me in format NTS format.

Ron Clark, AA0W, will take the responsibility for NCW Net Manager and Jim, K0CWW will be Net Manager for the Cornhusker Net.

Looking for any historical notes you may have about any of the Nebraska Section Net's. Please send me your articles, stories, remembrances, pictures or anecdotes you may have. We will add to the monthly summaries.

Please report your individual traffic monthly totals to me at: nf0n@arrl.net I also check in to several net's daily, you can send to me on the net. I welcome your comments and suggestions.

Notes from the Section Traffic Manager:

Some additional statistics this month. The West Nebraska Net had QNI of 13,443 for 2012 and QTC of 1,931 for 2012. The Eastern Nebraska ARES Net had QNI of 8784 for 2012. Those are some very good numbers and goes to show that Nebraska has a very good representation of net participation across the state. Thanks to K0RRL and KN0RKY for compiling those statistics for us.

Looking for any historical notes you may have about any of the Nebraska Section Net's. Please send me your articles, stories, remembrances, pictures or anecdotes you may have. We will add to the monthly summaries.

Please report your individual traffic monthly totals to me at: nf0n@arrl.net I also check in to several net's daily, you can send to me on the net. I welcome your comments and suggestions.
